MOTION FOR EXTENSION OF TIME

Petitioner hereby moves that the time within which it may respond to the motion to set aside default judgment in the above referenced cancellation proceeding be extended for a period sixty (60) days, to and including July 1, 2009.

This request is not being made for the purpose of delay rather petitioner is seeking a brief extension to determine whether this matter can be negotiated without taking up the time of the Board to provide an opportunity for the parties to confer. The parties have discussed settlement options, and they believe an agreement can be reached. Counsel for Petitioner has agreed to the granting of this motion.
